## BARTLETT PARK ULTRAS

BARTLETT, TENNESSEE  
SEPTEMBER 11 | ▲ 2,2

The fourth edition of the Bartlett Park Ultras was the coolest one held to date, but cool is a relative term as the "feels-like" temperature still topped 100 late in the day due to high humidity. One can only hope that the race will be held on a below-average day some year.

After missing the 2009 race, Memphis local Harry Camp returned to claim his third 50-mile victory at the event. Sarah Harris and Kimmy Riley were the only female finishers in the 50-mile and 40-mile runs.
